The Company is using ‘notice-and-access’ to deliver its Management Information Circular (the “**Circular**”) dated October 18, 2024, to you by providing you with electronic access to the document, instead of mailing a paper copy. Notice-and-access is a more environmentally friendly and cost-conscious way to deliver meeting materials, reducing paper consumption and printing and mailing costs to shareholders.

Enclosed with this notice you will find a form of proxy so you can vote your shares. Please follow the voting instructions provided on your form of proxy, which must be received by **10:00 a.m. (Pacific Time) on Friday, December 13, 2024**. The Company reminds shareholders that it is important to review the **Circular before voting**.

Stratification: The Company will not use a procedure known as ‘stratification’ in relation to its use of notice-and-access provisions. Stratification occurs when a reporting issuer using notice-and-access provisions also provides a paper copy of its management information circular to some shareholders with this notice-and-access notice. All shareholders will receive only the notice-and-access notice, which must be mailed to them pursuant to notice-and-access provisions, and which will not include a paper copy of the Circular. Shareholders will not receive a paper copy of the Circular from the Company, or from any intermediary, unless a shareholder specifically requests one.

Annual Financial Statements: The Company is providing paper copies or emailing electronic copies of its annual financial statements to registered shareholders and beneficial shareholders who have opted to receive annual financial statements and have indicated a preference for either delivery method.
